

存為愛 詞曲：周金亮（馬來西亞）

演繹：JEFFREY LIM CHEW FEW

眼睛讓我們期待彩虹
雙手讓我們學會擁抱
耳朵讓我們聽到坦誠相待的話
愛讓一顆心無怨等待

大路讓我們看到天地
風雪讓我們接受寒冬
陽光和雨水帶給我們希望
愛讓我們永遠不受傷

Chorus

讓我們 存為愛 黑暗中溫暖在胸懷
讓我們 存為愛 把戰火狠狠拋開
讓我們 存為愛 用溫柔把仇恨對待
讓我們 把愛傳開 讓世界更美好起來
（讓心永存愛）

思念讓我們相信承諾
聆聽讓距離慢慢靠近
面對孤獨長夜別害怕寂寞
愛讓我們勇敢站起來

風吹過是誰在呼喚
有誰聽到他們的哀傷
誰願意給他們力量
讓歡笑回到他們的臉上

English Translation: LIVE TO LOVE

Music & Lyrics: Chow Kam Leong (Malaysia)

Performed by: Jeffrey Lim Chew Few

Our eyes let us see the long-awaited rainbow
Our arms let us learn how to hug each other
Our ears let us hear the true and sincere words
Love let a heart wait without complaints

The open-minded path let us see the sky and earth
The wind and snow teach us how to accept bitter coldness
of winter
Sunrays and rains bring us hopes
Love protects us forever from getting hurt

Chorus:

Let us **Live to Love**. In darkness, we find warmth in our heart.
Let us **Live to Love**. Let us throw away the hatred of wars.
Let us **Live to Love**. Let us treat hatred with patience.
Let us **Spread the Message of Love**, and make the world a better place

(Let our hearts be forever fill with love)

Yearning lets us believe in promises
Listening reduces the distance between us
Don't be afraid of the loneliness of night
Love gives us courage to stand against challenges in life.

When the wind blows, who is calling?
Who would hear their (sentient beings) sadness?
Who would be willing to give them strength?
Let's bring smiles back to their face
